# IDEAS FOR ORIGINAL TABLE DECORATION

Forget the traditional approach to table decoration.

Mikkel Kurre, one of the best interior stylists in Denmark, will help you on your way with various tips and tricks while showing you how to lay a table with Legio Nova.

## Tip #1

Think contrasts. A white plate might look yellowish against a crisp white tablecloth. Instead, use a dark tablecloth or other surface to create a sharper look.

## Tip #2

Stylish, shining porcelain stands out even more when combined with raw-looking materials such as wood and stone or a linen tablecloth.

## Tip #3

You don't have to have a tablecloth for it to look smart. If you have a beautiful table with a raw look, then leave it uncovered. This makes it less formal, and saves washing a tablecloth afterwards.

## Tip #4

The trick is to make a bouquet using different flowers. Mix, for example, globe thistles from the roadside with hydrangea, protea or pampas grass from the garden or flower shop. Gather identical flowers in small bunches, place a rubber band around the stems and hang them heads down for about three weeks. Once they are dry, they can be used to create lasting and beautiful bouquets.

# PORCELAIN WARRANTY

— VALID FOR 10 YEARS —

Porcelain from Eva Solo/Eva Trio may be used as often as you like on a daily basis without breaking. This is what we guarantee. And this is why there is a 10-year replacement guarantee on all our porcelain products. The warranty covers products purchased after 1 September 2015, and only first-grade products. In other words, if your Eva Solo/Eva Trio porcelain breaks, the glaze shatters or large flakes break off during normal daily use, we will replace the product with a new - or similar - product. The warranty does not cover faults and functional failure due to intentional breakage or breakage resulting from external events. The warranty is also conditional upon the user instructions being followed.

*The warranty only covers purchases by private individuals and can only be used by private individuals. Eva Solo A/S reserves the right to terminate the warranty scheme. Consequently, the warranty only covers purchases which are made within periods covered by the warranty. In the case of replacements, you must return the damaged product with the receipt. So remember: Keep your receipt!*
