STANDARD MATTRESS DESIGN BY HAY

The Standard Mattress is a series of comfortable and durable polyurethane foam mattresses designed for use with HAY beds. The mattresses are available in different firmness options, depending on the user's preference, with the core either made with strong support foam or soft support foam, while both variants featuring a layer of memory foam quilting on the top. All the mattresses are OEKO-TEX® certified and are available in different sizes to fit the various bed models.

CERTIFICATES & TESTS

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC™-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
